*“The people we surround ourselves with
either raise or lower our standards.
They either help us to become the best
version of ourselves or encourage us to
become lesser versions of ourselves.
We become like our friends.
No man becomes great on his own.
No woman becomes great on her own.
The people around them help to make
them great.
We all need people in our lives who
raise our standards, remind us of our
essential purpose, and challenge us to
become the best version of ourselves.”*

-Matthew Kelly

Thank you to each and
every one of you for being
those people to us.
